

PREVENT TEACHER ATTRITION

*Exceptional Classroom Management and Student Discipline
Time to Teacher trainer, Jodie Randisi*

Teachers have one of
the most difficult
jobs in the world.

**Good classroom
management means...**

Happy teachers.

Never ending
student discipline
problems leads to...

Frustrated teachers.

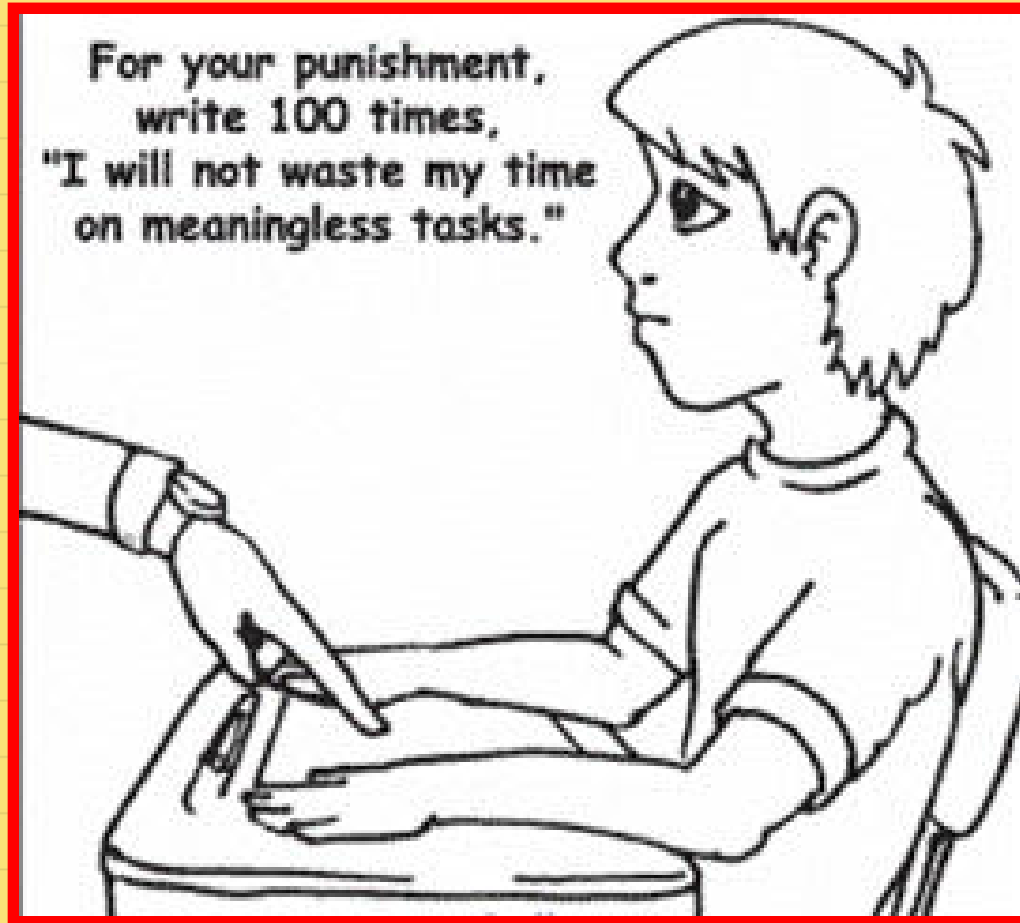

Frustrated teachers leads to TEACHER BURN-OUT!

I quit!
Good
luck,
next
guy.

Classroom management

The wrong way.

Good classroom management

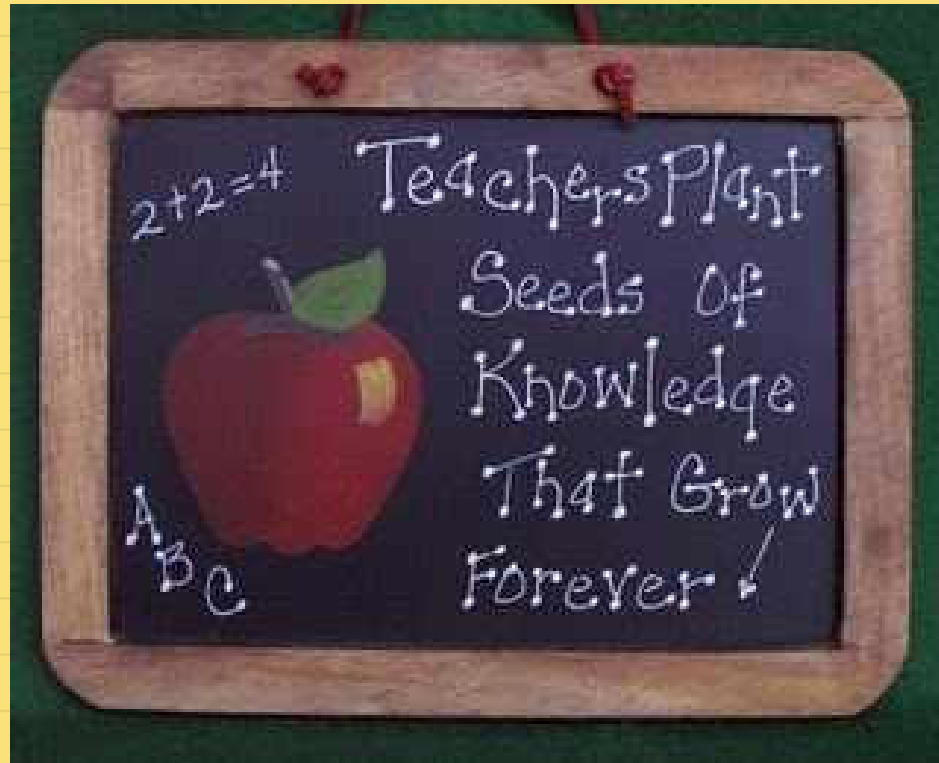

*means there will be
more time to teach.*

Professional Development for Teachers

Researched Based
Data Driven

Classroom management is vitally important because...

Raise scores.
Reduce referrals.
Increase morale.

Go home happy.

Stay in the profession.
